Height Adjustable Working Tables

Preward

Welcome to Leanflow's height adjustable working tables Catalog,

At Leanflow, we strive to optimize workplaces with solutions that are both efficient and ergonomic. In this catalog, we present our high-quality, height-adjustable work tables designed to enhance your work experience.

Whether you are looking for flexible workstations for your production area, warehouse, assembly hall, office or other settings, our tables offer the perfect balance of comfort and productivity.

With a height-adjustable design, these tables can be easily adjusted to the individual needs of the user, promoting a healthy and ergonomic work posture.

Leanflow not only offers products that meet the highest quality standards, but also solutions that make your workplace more dynamic and efficient.

Scroll on and discover the possibilities Leanflow offers for a better and ergonomic workplace!

INDUSTRIAL WORKTABLES

LF - HIGH TABLE MANUAL

- Industrial aluminium table
- Manually height adjustable (720-1120mm)
- Max. load capacity: 300kg
- Length: 1000-2500mm - *other dimensions on request*
- Supplied with melamine table top 25mm - *other table tops on request*
- ESD safe (If ESD table top is selected)
